Icon

Use for profile pictures and favicons

OpenZeppelin

Vertical

Use only when it is not possible to use the horizontal logo.

Use case | logo application

Main logo

Use the colored logo whenever possible.
It must be used only over a white background
or the color #F8F8FA
In case the background has slight tonality use
the monochrome version.

Monochrome logo

Use this logo when the background has a light
color. In case the color is very saturated use
the white logo.

White logo

Use this logo when the background is dark or
has a saturated color.

Use case | logo application

Don't change the color of the logo 

When it's not possible to use the colored logo 

Don't change the color of the wordmark 

Background color #F8F8FA 

Don't use the colored logo over a colored background 

Use case | logo application
